Government Guidance: Help children with SEND continue their education during coronavirus (COVID-19).

## Special Education Needs and Disability

### Home Learning

- Class teachers are putting weekly plans on the website for you to use. You do not have to do everything on them! You are welcome to use work from different year groups if it is more suitable for your child.
- There are excellent [daily lessons available through the BBC website](#). The BBC are also producing daily educational television programmes.
- The [Oak National Academy](#) are producing daily lessons for each year group.
- Adapt work so that it is more accessible to your child. For example, if your child does not want to record their learning in writing, you could scribe for them or take a photo or they could type it up, record it verbally or draw a picture.

**Remember: Do what works for you and your family and contact us if you would like any support.**

### Useful Links:

- [Information from Northumberland County council](#). (Includes lots of information, including a social story to explain Covid-19 to children)
- [Brain Parade](#) (A visual instruction app, including flash cards and picture-choosing games, for children with autism and special needs)
- <https://www.helpkidzlearn.com/> (A collection of games and resources designed for a range of educational needs and stages. It includes provision for school closure)
- <https://www.visuals2go.com/> (An all-in-one app created to support people with communication and learning difficulties. For verbal and non-verbal learners)

### Other Services:

- If your child is involved with an Educational Psychologist or Speech and Language therapist, you can contact these services directly for specialist advice.
- This [Northumberland County Council webpage](#) has contact details for services that offer information, advice and support.
