

To log in to School360 EYFS visit School360.co.uk and select

Login using details supplied by your school. Please turn over for a breakdown of the key features.

### 1. Teacher's Choice

Your child's teacher will put key resources in this area, including videos, documents and games. These resources can be updated whenever the teacher deems necessary so share resources linked to that term's themes.

### 2. Reflections & The Cup

In the reflections area your school can share images of key events in school. Your child may be awarded points for good behaviour and hard work, click on the cup to see these awards.

### 3. Message Board

Teachers may send messages using the message board to remind you about events or tasks and resources that may have been shared for home learning.

### 4. Do, Play & JiT

Do and Play hold a range of activities for you to explore with your child. JiT is a fantastic package aimed at EY and KS1, here children can create artwork, pieces of writing, graphs, animations and branching databases.

### 5. Pupil Avatar

Pupils can use their points to select different outfits for their avatar including theme's costumes for different times of the year.

### 6. Weblinks

Here, your child's teacher may share links to external websites relevant to this terms themes and topics

### 7. Busy Things

Busy Things is a fantastic package of over 1000 resources. Your teacher may set specific work to be completed. Alternatively just select the correct year group and choose a subject of interest to explore the games and activities available.
