

### English

- To start our new topic I'd like you to visit the London Zoo website (<https://www.zsl.org/zsl-london-zoo/virtual-london-zoo>). Have a look at some of the animals that live at the zoo and watch some of the virtual clips, perhaps you can spot your favourite animal! After having a look at all of the animals, I would like you to make a list of questions you'd like to find out about one of the animals (make sure you use question marks). **TRY NOT TO USE A MEERKAT AS THIS WILL BE THE FOCUS OF OUR WORK FOR THE NEXT COUPLE OF WEEKS!**
- After you have your list of questions. I would like you to make an animal fact file in which you answer as many of your questions as you can! You could then practise your presenting skills and record yourself giving a short presentation on your chosen animal (just like David Attenborough, watch some of his clips for inspiration). Send them to me on the class email address, I can't wait to see them!

### Science (plants)

- Plant a flower or bean of your choice.
- Draw the steps you followed to plant your plant and write sentences to describe what you did.
- Keep a diary of what happens to your plant.

**We would love to see pictures and videos from your week!**

**Email  
[year1.ellington@school360.co.uk](mailto:year1.ellington@school360.co.uk)**

### PE

- Have an egg and spoon race with a member of your family.

### Phonics, reading and spelling (continue each week)

- Continue to learn sounds using [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk). Focus on phase 3 including tricky words before moving onto phase 4 and 5. Big push on tricky words please!
- Use the following link to access reading materials: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>. Please read as much as possible! The Read, Write, INC. books are linked with the sounds we learn in phonics and it would be beneficial to read books with sounds that you need to practise, see if you can spot the special friends! There are also questions to answer in each book to develop comprehension skills.
- Use spelling shed to practise your spellings. <https://www.spellingshed.com/en-gb>

### Year 1 Home Learning Activities We're going on Safari! -Week 1

### Art

- Can you make your own African animal sunset picture? Example on the website. Email me a picture of them!

### PSHE

- Have a look at the worksheet provided on the website. Talk with your grown up about which are good choice and bad choices and why. Think about a time when you've had to make a good choice. Has your grown up ever had to make a choice?

### Maths

- Continue to access weekly lessons from <https://whiterosemaths.com/homelearning/year-1/>
- Follow lessons from WC 18.05.2020.
- Challenge: Can you find things around the house that measure 2 metres? (e.g. a row of teddies).

### Geography

- Find and locate the continent of Africa on a map.
- Use the following links to find out facts about Africa. Can you present them on a poster?
- <https://www.youtube.com/watch?v=Fuc8thqoe1o>
- <https://www.youtube.com/watch?v=PSYHMYVfo>
- <https://kids.kiddle.co/Africa>
