

### Numeracy

- White Rose Maths have changed their home learning section in line with BBC Bitesize but Reception does not have a section.
- However I have attached part of the White Rose Summer Term plan which explains how to do some of the concepts which we are learning. I have included this document for parents to refer to. This week we are looking at doubling numbers.
- Learn doubles off by heart for numbers to double 5 or double 10 for a challenge.
- Use the blank domino sheet and record any doubles you can find in a set of dominoes or if you don't have any get someone to draw spots on them with doubles on for you to work out.

### ICT

#### Websites.

- Busy Things 'Hen Hunt' game: Click [here](#).
- [Oxford Owl](#)
- (Sound blending books, red and green RWI books.)
- [Spelling Shed](#) new spelling lists looking at the 'sh' sound.
- Try making a picture of the Little Red Hen.

### Literacy

- Read/Share picture books.
- Look at The Little Red Hen story on [Twinkl](#) or [Oxford Owl](#).
- [Phonics Play](#).
- Phase 2 phonics.
- Phase 2 Tricky Words.
- Phase 3 phonics.
- Phase 3 Tricky Words.
- Letter Formation.
- Write a letter to the little red hen telling her what jobs you can do.
- I can plant.
- I can weed.
- I can chop.
- Write instructions for making a sandwich (with some help.) I hope your teddy or toy doesn't mix up the instructions like our puppet at school does.

### Physical Development

- If possible go into the garden, look at plants and help with the gardening.
- Act out the story of The Little Red Hen with big actions for planting, watering, chopping, carrying, grinding and Kneading.

### Summer Term Week 3

#### Reception

Work from home plan.

These are some ideas that you might like to try this week at home.

Be very kind and helpful like the little red hen and do lots of jobs around the house to help out.

**Don't forget that you can email us to share photos and videos!**

**[reception.ellington@school360.co.uk](mailto:reception.ellington@school360.co.uk)**

### Expressive Arts and Design

Choose which of these you would like to try to make

- Make a picture of the Little Red Hen.
- Make a model of a windmill.
- Make some play dough or real bread if you can. Pretend to be the little red hen.
- Design and make your favourite sandwich.
- Make a picture of the Little Red Hen.
- Make a scarecrow and send a photo of it to the website.

### PSED

Think about the Little Red Hen and how she felt doing all of the jobs by herself. Pretend you are one of the other characters and make a card to say sorry to the Little Red Hen for not being helpful.

### Understanding the World

- Find out about the different parts of a plant.
- Label the plant picture.
- [https://school360.co.uk/eyfs\\_login/](https://school360.co.uk/eyfs_login/) ; go to Resources → Busy Things → understanding the world → plants
- Make flower potions or perfume and talk about the different parts of a plant (work with an adult and only use plants that are safe and ones that you are allowed to use)

### Communication and Language

- Sing nursery rhymes like Mary, Mary quite contrary from [BBC Children's radio](#).
- They have animations to sing along with and you can select from a large number of rhymes or play a medley of songs for up to an hour.
- Try to learn to tell the story of The Little red Hen. (See attached puppet sheet)
