Further to this Ruth Miskin, the creator of Read, Write INC., is providing daily phonics lessons. The videos are available for 24 hours and can be found at: https://www.youtube.com/playlist?list=PLDe74j1F52zSHkrG_OoWu0sHBTLCeZq1G. Please use the set 1 and 2 videos to consolidate learning.

If you feel your child's knowledge is secure with the sound in both reading and writing, please visit <https://www.phonicsplay.co.uk/> and play some of the games. We are now moving into phase 3 with our learning so if you think your child is secure in phase 2 they could practise the new sounds using phase 3 games. You could also use Phonics Play at your leisure.

Our topic this half term is 'Out and About'. These tasks each week will relate to a different place we might explore when we are out and about.

This week we will be exploring minibeasts that we might find in lots of places when we are exploring.

Remember you can now upload work directly to your child's learning journal using the School360 parent app!

Other Areas of Learning: To complete throughout the week

Expressive Arts and Design:

- Can you make a minibeast from a paper plate?
- Can you make a junk model minibeast?

Communication and Language:

- Listen to (or read if you have the book) the story 'What the Ladybird Heard'. Can you hear the rhyming words? See if you can spot them with your grown up.
<https://www.youtube.com/watch?v=Eu9mPX7DuLA>
- Use the following video to learn some sign language for different minibeasts
https://www.youtube.com/watch?v=jlb_gbpcaGk

Personal, Social and Emotional Development:

- Can you play a turn taking game with someone in your house? Make sure you wait your turn!
- Can you talk to your grown up about someone or something you are grateful for? What do they/does it do for you? What would you do without them/it? How do they/does it make you feel?

Physical Development:

- Can you move like minibeasts? Think of a minibeast and see if you can move how they would (e.g. slither like a worm). There is a minibeast action sheet in your home learning pack to help you.
- Can you use the cutting activities in your home learning pack to practise your cutting skills? Remember scissors are sharp and you should hold them correctly (even when you're not using them)!
- Have another dough disco to get those fingers moving!
- Choose a different 5 minute shake up to have a go at: <https://www.nhs.uk/10-minute-shake-up/shake-ups>
- Use Cosmic Kids Yoga on YouTube <https://www.youtube.com/user/CosmicKidsYoga>

Understanding the World:

- Can you go on a minibeast hunt using the sheet in your home learning pack? Can you find anything that is not on the list?
- Can you use the sorting task to put the minibeasts into the correct place? Are there some that could fit into more than one box? Which ones and why?
