

Communication and Language

Rhyming Words

Can you sort the coins (see activity sheet) into the treasure chests? Can you make some more coins to go into the rhyming sets?

Adult to say the words before the children repeat so that it is clearer to hear if they rhyme or don't rhyme.

CVC Words

Use this phonics activity to start blending some CVC words together.

<https://www.ictgames.com/mobilePage/poopDeck/> - when this is loaded in your web browser you need to click CVC Sh and this will bring up some of the CVC words I would like you to practise sounding out and blending to try and read the word.

Literacy

So far we have practised writing the letters,
m a s d t i n p g o c k u b f e l h r j v
The next letters we are focusing on are
y and w

You could practise writing these letters in the air with your finger, then practise forming these letters using pens, pencils, paints etc.

The rhymes for these new letters are:

y - down a horn, up a horn and under his head.

w - down up, down up

Practise singing the alphabet song. Can you recognise the different letters by looking at them?

Can you write the different letters that a grown up says to you? Practise forming them correctly.

Expressive Art and Design

Desert Island Treasure Map

Can you create your own pirate map? On a piece of paper, you could draw items onto your map, such as trees, mountains, caves, animals and of course some buried treasure - X marks the spot!

If you don't want to draw your pirates map you could cut and stick the attached document to make your pirate map.

Numeracy

Finding shapes

Go on a shape hunt. Which shapes can you find?
Perhaps you could draw them once you find them. How many of each did you find?

Can you complete the pattern train?

We have played this in class so the children should be aware of this game.

PSED

My Very Own Treasure Chest

What are some of your favourite things that you would put inside a treasure chest? Talk about your ideas with a grown-up and then write or draw pictures of the things that are special to you.

Physical Development

Can you complete the different movements as your grown-up (the 'pirate captain') shouts them out? What other pirate movements can you think of? How about an action for a parrot or for finding treasure?

See Pirate Game Display Poster for the different movements.
