

**Reception home
learning:
Week beginning
28th September**

**Please use our
year group email
account if you
have any
questions about
the work set:**

reception.ellington@school360.co.uk

Maths:

- Our learning objective this week is to sort objects into different groups.

English:

- This week we are thinking about our families. Could you draw a picture of your family and explain why you love them? Write it down if you can!
- Continue to use phonics play to learn a new phase 2 sound.
- **Homework: Please share your child's school library book. Practise their name with them (some of us are learning to write our surnames in school, your child should know if it is them).**

Other areas of Learning:

- Expressive art and design: Can you recreate an old photo of your child? Compare similarities and differences.
- Communication and language: Sing 'Heads, shoulders, knees and toes'. Can you point to the body parts as you sing?
- PSED: Can you talk about what you do to help your family at home?
- Physical development: Continue Cosmic Kids Yoga
 - <https://www.youtube.com/user/CosmicKidsYoga>
- Understanding the world: Can you find out how toys you play with today are different to toys your grown-ups played with when they were young?
