Maths:

- Our learning objective this week is to investigate how we can make 3 e.g. $1+1+1$ or $2+1$. We will also look at 1 more than and 1 less than using numbers to 3.

English:

- This week we are looking at the story of Little Red Riding Hood (<http://www.dltk-teach.com/RHYMES/littlered/story.htm>). Can you read the story with some help from your grown up? Can you retell the story to your grown up? What happened first? What happened in the middle of the story? What happened at the end?
- Continue to use phonics play to learn a new phase 2 sound.
- Please continue to share your child's school library book.

Other areas of Learning:

- Expressive art and design: Can you make grandma a get well soon card?
- Communication and language: Can you learn and/or practise the Teddy Bears Picnic song?
- PSED: Can you talk about why it is important to only talk with people you know?
- Physical development: Can you make an obstacle course to help you retell the story? As if you were walking in the woods?
- Understanding the world: If Little Red Riding Hood went for a walk outside today, what might she see? What signs of Autumn would there be?
