

## Maths

- White Rose home learning, summer term weeks eleven and twelve: for year 5:  
<https://whiterosemaths.com/homelearning/year-5/>
- year 6  
<https://whiterosemaths.com/homelearning/year-6/>

## Everyday

- Continue with your diaries.
- Practise your spellings on [Spelling Shed](#).
- Practise the Year 5/6 spelling list by clicking [here](#).
- Do something that makes you happy.

## Topic: Local Study

Write a booklet on the Trees of Northumberland.

Collect leaves from a range of local trees. Press the leaves in an old book to preserve them and then stick them into your booklet correctly named and labelled, with a sentence or two about each tree (how tall they grow, what their seeds are like, what the wood is used for etc)

For some guidance on how to press the leaves look here (you don't have to use wax paper if you don't have it):

<https://www.youtube.com/watch?v=NvfZpuy4OiA>

## English

Choose one theme from the following:

Love, War, Revenge, Friendship.

Then write a selection of short stories based on that theme. Vary your stories – some might be set in the past or the future, some could be set overseas or in outer space or in a fantasy world.

When writing your stories, you might want to stick with the formula we teach in school: perhaps open with some setting or character description; after introducing your character give them some kind of problem or difficulty to overcome, and then allow them to overcome the difficulty by the end. Good luck!

## Year 5/6 activities for the last two weeks of term

Commencing  
6<sup>th</sup> July 2020

## Physical Education

- Practise the five-in-five activities at least once every day.
- Also, ['PE with Joe' on youtube](#).

## RE: Judaism – The rabbi

Use the internet to research the responsibilities of the rabbi. Present your findings any way you like – a factfile, powerpoint, or just a few paragraphs of writing

## ICT: Coding

Do an hour of code. Choose from any lesson here:

<https://code.org/learn>

## Art

If you have water colour paints at home, have a go at drawing a pot of lavender as in this video:

<https://www.youtube.com/watch?v=P7SCFdc53k8>

Alternatively, practise your sketching skills by choosing any of the sketching activities from this page:

<https://www.youtube.com/user/ShooRaynerDrawing/videos>

Please feel free to keep emailing us over the Summer!
