

**Nursery home  
learning:  
Week beginning  
5th October**

**Please use our  
year group email  
account if you  
have any  
questions about  
the work set:  
  
nursery.ellington  
@school360.co.uk**

**Mathematics:**

Our learning objective this week is to compare size (big and small).

**Literacy:**

This week in literacy we will be reading the story of Goldilocks and the Three Bears. Can you describe the characters and retell parts of the story?

**Homework:** Please share your child's library book (they will be changed every Tuesday).

**Other Areas of Learning:**

**Expressive Arts and Design:** Can you make an autumn dreamcatcher using items you might have collected from outside?

**This week we are learning about our 5 senses.**

**Communication and Language:** Can you describe how things feel when you touch them? What can you smell? What can you hear when you go outside? What can you see out of the window? Once you have had something to eat can you describe what it tastes like?

Play a memory game putting some items out on a tray then taking one away, can you remember what is missing?

**PSED:** Can you talk about tastes, smells and sounds that you like? Can you talk about or point to the different senses we use? (eyes- looking, ears- listening, nose- smelling, mouth- tasting, hands- touching)

**Physical Development:** Can you experiment moving around in different ways such as hopping, jumping, skipping, walking, running, crawling and slithering? Can you take big steps? Can you take small steps?

**Understanding the World:** Feely bag with different textured objects. What can you feel? Can you sort the items into different categories e.g. hard, soft, cold, bumpy? Can you do a taste test and guess what it is that you are eating?
