

English/Art:

- We hope you are enjoying the Magic Faraway Tree. This week we would like you to combine art and literacy, and start to plan your own magical setting.
- Use the setting planning sheet to draw your own magical world above the clouds*. What fantastic creatures could live there? How would this land be different from the ones you've heard about in the story? Any sort of world can appear at the top of the Faraway tree, so you can really use your imagination! Once you have your drawing, can you describe the setting? You could write or type a paragraph about it, or record yourself describing it and send it to us.
- Use the Powerpoint to learn about using apostrophes for possession.
- Practise this week's spelling list on www.spellingshed.co.uk

DT

- If you have been reading/listening to 'The Magic Faraway Tree', you will have heard of the Pop biscuits/cakes they eat there.
- Have a go at making your own pop biscuits or cakes! There is a recipe idea [here](#) that you could follow, or you could adapt a recipe you already use at home.
- You could try using popping candy, sprinkles or similar to make your cakes/biscuits 'pop'!

*If you can't print, just use plain paper and draw the setting on its own!

Music:

- [Watch this video](#) to learn the song 'Down by the Bay' with Charlotte. Can you make up your own verses using different animal names?
- The '[Sing Up Music](#)' YouTube channel has a few other 'learn the song' videos if you want to learn more, and at the '[Sing Up At Home](#)' website there are dozens of tracks to sing along to.

Maths:

- Watch the daily video on [White Rose Maths](#) and follow the lesson links to the [BBC lessons](#) or complete the White Rose Worksheets.
- Play games on [Numbots](#).
- Use [BBC 'Supermovers'](#) to learn about length and height.
- Use a ruler or tape measure to measure things in your house. You can record your work using the 4th page on the worksheet 'measure and record length and height home learning task'.
- Continue to learn your 2, 3, 5 and 10 times tables: use [Times Table Rockstars](#) and '[Hit the Button](#)'. If you are becoming confident with these, try learning the 4 times table.

Reading:

- Share a book every day.
- Continue to [listen](#) to a chapter of 'The Magic Faraway Tree' by Enid Blyton each day.

Year 2 planning: Week beginning 22nd June

History:

- Use the Powerpoint to find out what pirates ate. Maybe you could use the recipes to make either 'pieces of eight cookies' or 'cheese and apple pirate ships'.

Science:

- If you can, talk through the questions on the Powerpoint 'Comparing suitability' with someone at home. Then have a go at the worksheet to choose the best material for different purposes. There are 3 levels of worksheet to choose from.

PSHE/Wellbeing:

Showing kindness to others and receiving kindness can have positive effect on our wellbeing. Have a go at the kindness wordsearch.

Religious Education:

- The Star of David is an important symbol in Judaism. Use the instructions to either draw the Star of David or to make a paper version.

Computing:

- Open up the 'Computer Art – Monet' powerpoint and read about the Impressionist artist Monet.
- Next, go to www.school360.co.uk, log in and go to resources and 'Busy Things'. Go to your assignments and find the task where you can try to copy a Monet painting of your choice using the computer tools. Think carefully about the colours you are choosing!

Physical Education:

- Make a maze/obstacle course indoors or outside. You might include e.g. hula hoops to jump through; a line of chalk or tape to balance on; cushions to hop between; a table to crawl under; a blanket over 2 chairs to crab walk through; tupperware containers to hurdle over; stuffed animals to roll over or plastic cups to run around. Have fun!
