In 2023, our KS1 results were significantly higher than national averages in Reading, Writing and Maths. This is a remarkable achievement which builds upon the excellent results achieved in 2022. Due to their being no SATs testing in 2024 or 2025 there is no comparable data.

Our Phonics Screening data is consistently above local and national averages with 100% of children passing the check in 2025.
