

English

Our reading text is *Private Peaceful* by Michael Morpurgo. In writing, we are creating biographies for key scientists and using our imaginations and creative skills to write short narrative pieces based on the song *Titanium* by Sia as well as a German Christmas advert.

Science

This half term, we are studying electricity, where we will explore circuits and their components as well as a short unit on sustainability.

French

French will develop our vocabulary to talk about planets.

Maths

In maths, we will continue to revise the formal methods for the four operations as well as developing our understanding of fractions, decimals and percentages. We will look at the four operations with fractions, finding equivalent fractions, simplifying them, finding fractions and percentages of amounts as well as lots more.

Ellington Primary School YEAR 6 CURRICULUM MAP

Geography

We will be exploring how populations change and the factors affecting this.

Design & Technology

We will be developing our sewing skills to design and make waistcoats for teddy bears.

PSHE

We will be focusing on our health and well-being, looking at mindfulness, looking after our mental health and the impact of technology.

Autumn 2

Believe and achieve

Music

All children will be taking part in whole school singing run by Mrs Richardson to work on our songs for Christmas.

Computing

E-Safety: Ways to report and tackle online bullying. In our main unit, we will be using Scratch to develop our programming skills.

PE

PE this term will cover "matching and mirroring" in gymnastics as well as a unit on health-related exercise.

RE

This half term, we will be exploring the question, why do some people believe in God and some people do not?
