

English

In reading, we will continue with *Private Peaceful* and then move on to *The Graveyard Book*. Writing will cover a range of texts including a diary entry based on "The Highwayman" and a balanced discussion inspired by *The Arrival*. We will also develop our abilities in writing to entertain based on the moving animation "The Piano".

Science

Pupils will learn how light travels and how animals (including humans) see objects as well as completing a sustainability unit on light pollution.

French

We will learn how to discuss weekend activities/hobbies we do.

Maths

We will continue to build on our fractions work as well as exploring percentages, decimals, ration and proportion. We will also be exploring BODMAS and revising data and graphs as well as looking at 2D and 3D shapes and their nets.

History

Children investigate how the Maya settled in the rainforest, their religious beliefs, homes and what archaeological remains tell us about Maya cities.

Art & Design

Exploring art with a message, children will look at the famous 'Guernica' by Picasso and create their own artworks that speak to the viewer.

PSHE

We will continue our work on health and well-being and moved onto our unit on safety and the changing body.

Believe and achieve

Music

We will take part in a unit of work that focuses on dynamics, pitch and texture using orchestral music.

Computing

This half term will focus on using coding as well as exploring online reputations during our online safety lessons.

PE

The children will be working on a dance unit inspired by Titanic as well as completing a unit on netball.

RE

We will be focusing on Hinduism . We will explore the origins of Hinduism and learn about how Hindus live and what they believe.
