

Ellington Primary School Gritting Plan

In Snowy and Icy weather please take care when walking to school. On these days we endeavour to grit the paths inside the school boundaries but be aware that areas may still be slippery or icy.

Given the large area of the school grounds, we are unable to grit everywhere. The photo shows the areas which will be gritted.

Primary Gritted Area = 

Please Note:
Central areas of the yard are extremely hazardous icy conditions. Please keep to the marked gritted areas only.
