

English

In our English lessons this half term, we will be writing formal letters to persuade the crayons to come back based on our story 'The Day the Crayons Quit'. We will also be learning about different types of sentences including questions, statements and exclamations. We will then move on to looking at the traditional tale The Princess and the Pea, writing an alternative ending to the story.

Science

In Science we will be continuing our work looking at Plants and their relationship with light and dark, by finding out the results of our experiment. We will also begin a new topic where we will look at what animals need to survive.

Maths

This term we will focus on reading bar charts and pictograms before we continue to consolidate our learning on addition, subtraction, multiplication and division. We will count in a range of ways and specifically focus on ways that will include crossing 100. We will work on our times tables.

Geography

Our big question in Geography is 'Why is our world wonderful?'. We will be learning about the world's wonders, the names and locations of the world's oceans and considering what is unique about the local area.

Design & Technology

Labelling and constructing a wheel, looking at existing products, building a structure with a rotating wheel.

PSHE

We will continue our unit in PSHE, 'Safety and the Changing Body' where we will end the topic by learning about road safety. We will then begin to look at our next topic 'Citizenship' where we will look at how we become great members of society.

Ellington Primary School YEAR 2 CURRICULUM MAP

Spring 2

Believe and achieve

Music

Our next unit is music is all about contrasting dynamics using instruments. We will learn how to compose and play rhythms to represent different planets.

Computing

This half term we will be working on spreadsheets using Purple Mash.

PE

In our PE sessions with Charlie we will be working on .Ball Skills using our hands. In our additional PE lesson we will be working on team building.

RE

Big question: Why does Easter matter to Christians?

We will look at the importance of Easter being in Spring, the festival of Easter and understanding the impact of Easter on Christians
