

## English

This half term, we will be doing some entertaining writing based on 'Leon and the Place Between' by Angela McCallister, particularly focusing on speech punctuation. In reading, we will start 'How to Train Your Dragon' by Cressida Cowell, discovering all about the adventures of Hiccup the Viking and his dragon, Toothless.

## Science

In our new science unit, we will be learning all about the parts of flowering plants. We will grow a variety of plants as well as examining flowers closely, learning in detail about the plant life cycle and pollination.

## Maths

We will be learning the 8x table. We will extend our knowledge of formal column methods for different calculations. We will also be deepening our understanding of fractions.

*Ellington Primary School*

# YEAR 3 CURRICULUM MAP

## French

We will continue to learn about musical instruments, as well as starting to learn how to say activities that we can and can't do.

## Geography

We will be looking at how land is used in our local area and how this has changed over time.

### Summer Term 1

## Design & Technology

We will design, program and promote a Micro:bit electronic charm to use in low-light conditions.

## Computing

We will be continuing to learn about spreadsheets. We will use 2Calculate to collect data and produce graphs.

## PE

We will be further developing our athletics skills. We will also be working on 'Game sense'; applying the principles of attack and defence to win a game.

## PSHE

We will be learning about children's rights, exploring why we have rules, the roles of local community groups, charity, recycling and local democracy.

## Music

This half term, we will explore the musical genre of 'ballads', contributing towards a class ballad that we will write together.

## RE

We will be focusing on Christianity. Our learning will be around the enquiry question 'What kind of world did Jesus want?'
