

Parent/Carer Feedback October 2026

Absolutely love this school. No concerns at all. Would highly recommend.

Both kids love this school 😊

Absolutely lovely school, my children are doing so well here.

Fantastic staff! Would recommend to everyone.

My child feels well supported here.

Thank you!

Child on Passport – to give him the support he needs. Staff are very supportive and incorporate strategies at home that we use to help regulate our child and vice-versa.

We are really happy with the school, both children are well supported and encouraged to do their best.

No complaints, fantastic school!

Olivia loves attending the school and is happy to come every day. Communication is fantastic. Olivia loves telling me about her school day. Thank you to everyone involved in her care.

Really happy with the school culture & support.

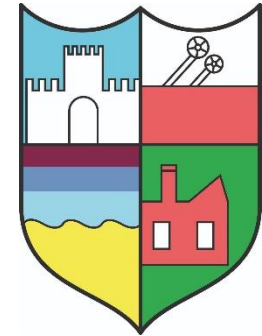

I am really thankful for the time and effort all teachers put into my child's learning and development. Thank you so much.

Amazing school! Staff are so helpful and the children get on well here.

Brilliant school!

Fantastic school. Staff are all amazing. School nurse also does a fantastic job.

Amazing support!

Since our daughter has come to Ellington Primary we have nothing but positive feedback for the school.

My child just loves coming to school as all the teachers are just amazing & really care about the children. Thank you 😊

Teachers are great & flexible when needed to support my child when they might feel shy or difficult to go into school. I feel very content with the teachers and assistants. Thank you!

Great school, I would highly recommend it.

Fab school. Great support!

Brilliant school – very supportive teachers.

I feel that any issues that have happened are dealt with properly.

Great!

Wonderful staff! Amazing School! 10/10 😊

Absolutely faultless, could not recommend this school enough!

I wish they could stay here until they are 18!

Great school!

A wonderful school with brilliant teachers!

Wonderful school & teachers. Very happy as parents and children are happy and enjoy school very much.

Jake is new to the school and already the difference is amazing. Jake's whole attitude to learning has changed. He's happy to come to school and is excited to tell us what he is up to. We wish we had moved him sooner.
